Installation instructions

Tips for use

Ideal for mounting on glass, metal, smooth tiles, plastic laminate, and cupboard surfaces.

Weight capacity would be reduced by the roughness or flatness of the surfaces.

Don't hang heavy and fragile valuable items.

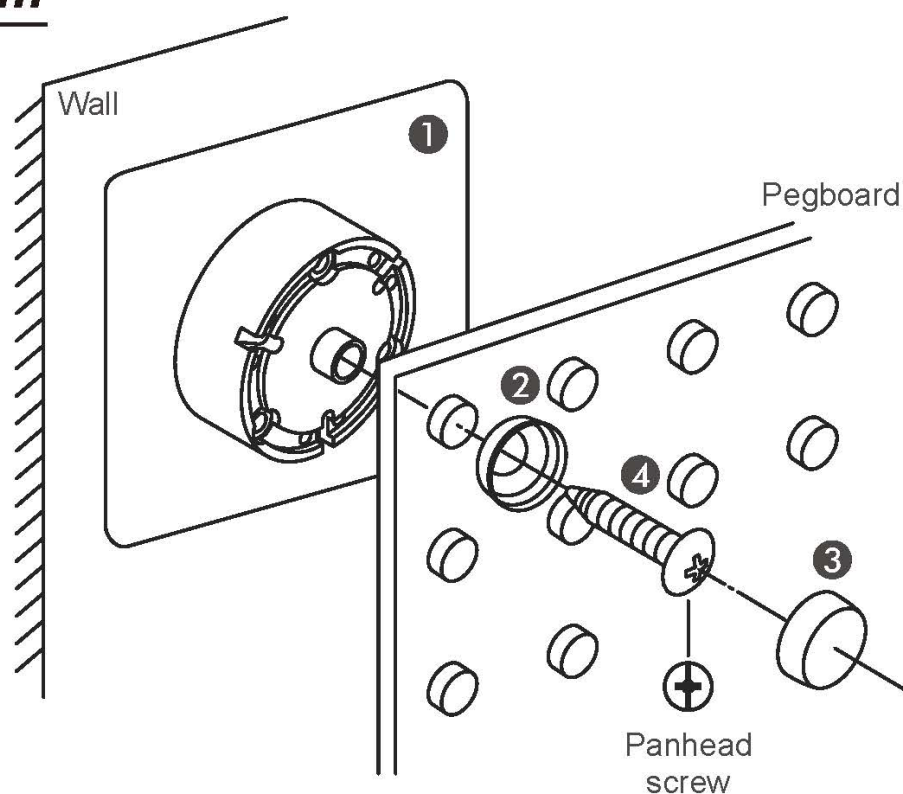

Pegboard Wall Mounting Kit

Contents / Quantity

- 1- Self-adhesive mounting base×4
- 2- Transparent washer×4
- 3- Cap×4
- 4- Screw×4

Installation diagram

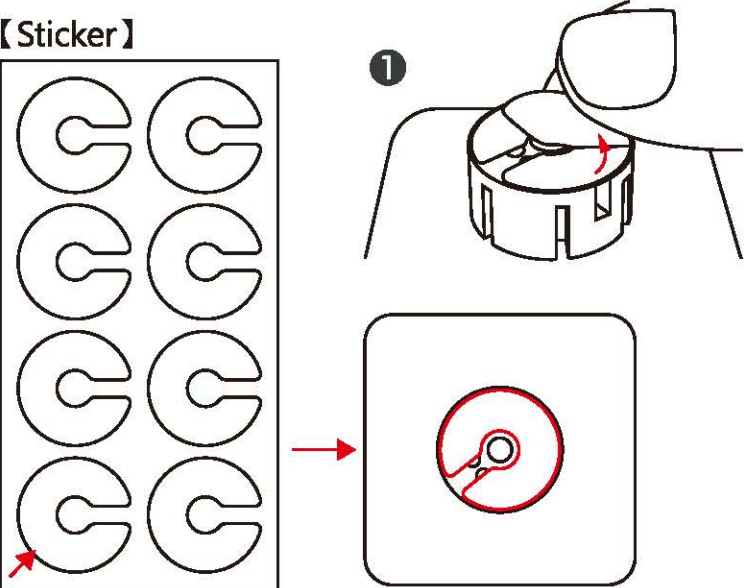

- The pegboard has water-resistant surface, but not waterproof. Please keep it dry.
- Not recommended for mounting outdoor with long-time sunlight and no rain cover.

Installation steps

1

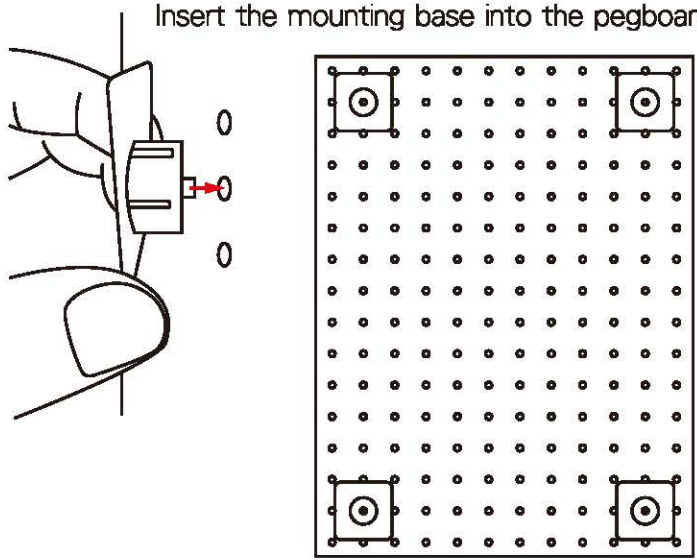

【Sticker】

Peel from the arrowed edge

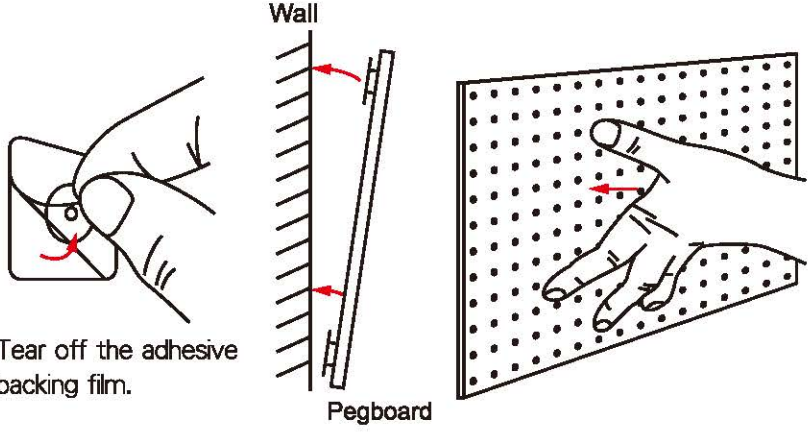

2

Insert the mounting base into the pegboard holes.

3

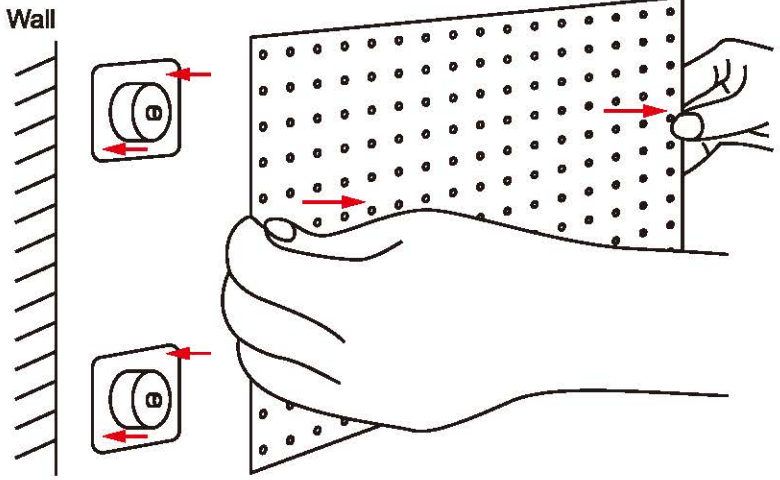

Gently press the pegboard to adhere the mounting bases onto the wall.

Tear off the adhesive backing film.

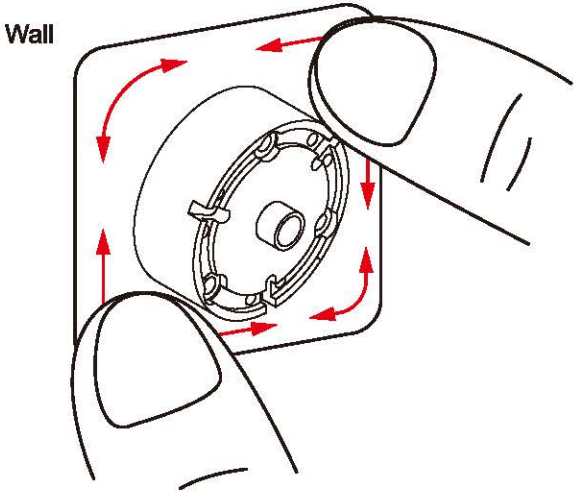

4

Take down the pegboard from the wall.

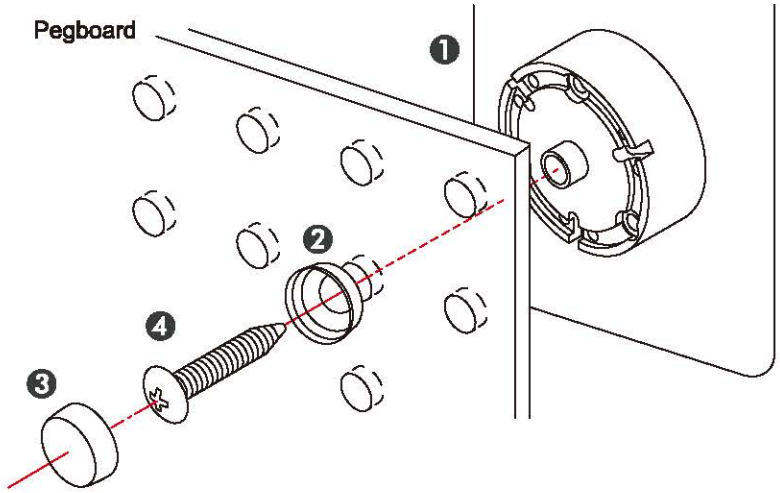

5

Press the center to fix it in place, then push outward to remove air.

6

Put up the pegboard, tighten the screws, and cover then with the caps.
